## **UNIT-II**

2. (a) Read the following passage carefully and answer the question given below :

The place of women in our society is of great importance and plays a vital role in its construction and development. The most important task which our women perform is upbringing of children. Children are the real wealth of our nation on whose shoulders the future responsibility of

guarding the interest of nation lies. Unless mothers are truly well-educated the upbringing of our children both male and female, must suffer in the most important early stages. This must be so whatever progress is to be made in the organization of our schools and colleges. This is enough to induce us to pay much greater and more scientific attention to the education of our girls than we are doing now.

- (i) What role do the women play in our society ?
- (ii) What is the most important task our women perform ?
- (iii) On whose shoulders the future responsibility of guarding the interest of a nation lies ?
- (iv) Why does the upbringing of our children suffer in the early stages of their development ?
- (v) Why should we pay greater attention to

the education of our girls ?
