## 1. INTRODUCTION:

Government Rani Durgawati College Wadrafanagar was established on 11 July 1989. Government Rani Durgawati College, Wadrafanagar is situated 100 km from the district Office Ambikapur at Ambikapur - Banaras Highway. The college is located in small city of Wadrafanagar. Wadrafanagar is one of the administrative blocks of Balrampur district, Chhattisgarh, India. It is very close to the borders of Jharkhand, Uttar Pradesh and Madhya Pradesh Nearest town is Ramanujanj (60km) East. Initially, the name of this college was Government College Wadrafanagar, but in the year 2008, according to the order of the Chhattisgarh Government, its name was changed to Government Rani Durgawati college Wadrafanagar. After the establishment, only the Faculty of Arts was running in this college. In the year 2012, as per the order of the Chhattisgarh Government, the science faculty started operating in the college, in which B.Sc. (math) 100 seats and B.Sc. (Bio.) had 150 seats, which was increased to 200 seats in the session 2021-22. In the year 2020, according to the order of the Chhattisgarh government, two new faculties - Commerce /Computer Science Faculty were started in the college and also the subject of History was added to the Faculty of Arts. For which the following seats have been fixed by the government for admission –

- Commerce (B. Com) - 40 seats
- Computer Science (BCA)- 40 seats
- BA History- 40 seats

After the establishment of the college, the college started the teaching-learning process with the admission of about 30 to 40 students, but in today's situation about 1500 regular students are studying in this college, which is the highest in Balrampur district. In this way, this college has become the college with the highest number of students in the district.

The college facilitates study under various streams such as arts stream for hindi, english, economics, political science, sociology and geography, science stream for physics, chemistry, maths, botany, zoology. For UG courses subjects are selected as per the group pre-decided by the college. Sufficient facilities and playgrounds are available in the college for sports. Different events of sports are guided and directed by sports officer.

**4. INSTITUTIONAL DEVELOPMENT PLAN (IDP):****4.1 EXECUTIVE SUMMARY: Give the Executive Summary of the IDP (Max.500 words):**

To support undergraduate level studies, Govt. Rani Durgawati College, Wadrafnagar works to improve the infrastructure necessary for excellent education, demand-driven professional courses, and technical research and development. In addition to regularly revising curriculum and syllabi to keep up with changing scientific and technological trends, it will expand graduate education by providing new, cutting-edge, and timely courses. The undergraduate programme has adopted a semester structure with a choice-based credit system. Additionally, added are skill-based courses, an internal evaluation system, and project/assignment work performance for students.

Implementation of a well-defined, time-bound strategy for students from marginalized (SC/ST/OBC) and weaker social groups to improve their academic performance while developing their personalities. It also entails helping these students financially and intellectually. The college has designed a comprehensive faculty development programme to support creative teaching methods, outcome-based tertiary education, time-relevant courses, and self-driven growth in research and development through participation and contributions in Conferences, Seminars, Symposiums, Workshops, as well as the launching of academic exchange programmes at both the postgraduate and doctoral levels.

The college will expand and update its current facilities for UG, PG, and research work (such as laboratories, libraries, networking, and smart classrooms) in order to meet its academic and research-related goals. It will also build a centralized computing and instrumentation facility with high-tech tools important to the development of various specializations and a centralized digital library facility. Additionally, it will put into action a well laid out and time-bound strategy of collaboration with the networked institutions and industries and provide opportunities for joint research with significant institutions and central universities. Through student training, faculty internships, team consultations, and contract research, a proactive attempt is made to engage extensively with companies to rebrand its image.

### 4.3 SWOC ANALYSIS:

*Provide the details of SWOC analysis carried out (in terms of methodology used, analysis and information - data as collected and inferences derived with respect to strengths, weaknesses, opportunities and challenges).*

#### 4.3A Methodology Used (Max. 500 words):

SWOC analysis provides an insight into strength, weakness, opportunities and challenges of our college. For overall administrative and academic quality enhancement and for the SWOC analysis, IQAC (Coordinator Dr. Toyaj Shukla) was established in our college to organize meetings on a time to time basis. An IDP committee was also established in the college for the preparation of the IDP draft, which was headed by Dr. Balram Sahu (IDP Incharge/Nodal Officer of Govt. Rani Durgawati Colleg, Wadrafnagar). After several rounds of meetings and interactive sessions with all stakeholders and committees like Teaching staff, Non-teaching Staff, Students, Parents, Alumni, Janbhagidari committee members, the team had decided to perform SWOC analysis of college by feedback systems. Following types of feedback forms and stakeholders were selected for SWOC analysis: 1. Feedback from the student, 2. Feedback from the teachers, 3. Feedback from the employees, 4. Feedback from the alumni, and 5. Feedback from the parents.

### Teamwork and stakeholder Participation

<p><b>Core committee</b></p> <ul style="list-style-type: none"> <li>• Principal</li> <li>• Head of Each department</li> <li>• Coordinator RUSA</li> <li>• Coordinator- IQAC &amp; NSS</li> <li>• Librarian</li> <li>• Sport Officer</li> <li>• Student representative</li> <li>• Parents representative</li> <li>• Alumni representative and representative of corporate/Social Stockholder.</li> </ul>	<p><b>Sub Committee</b></p> <ul style="list-style-type: none"> <li>• Anti Ragging Cell</li> <li>• Academic Cell</li> <li>• Student welfare cell</li> <li>• Women Empowerment Committee</li> <li>• Grievance-Redressal Cell for Students</li> <li>• Students Guidance/Employment Related Cell</li> <li>• Cultural and Youth Festival Committee</li> <li>• College Development Committee</li> <li>• Alumni Committee</li> <li>• Teacher-Parent Cell</li> <li>• Internal Complaints Committee</li> <li>• Discipline Committee</li> </ul>

2. Opportunity to start PG courses in all streams as per growing demand.
3. To launch a skill development program and personality development program.
4. Scope of strengthening culture and sport's talent.
5. Rural and tribal communities have better opportunities for higher education in this area.
6. Vast opportunities for research are present as the college can provide money for research work.
7. Possibility to start more vocational and job-oriented courses.
8. Potential to Conduct National conference seminar and workshop in collaboration with government agencies and NGOs Every Year.
9. More emphasis on solar energy and increased use of LED electrical appliances.

### **Institution Challenges**

1. To motivate students for higher studies and advance career opportunities.
2. Updating laboratories with advanced technology processes.
3. Students are not inclined towards progression to higher education owing to poor background.
4. To improve science laboratories With Well Equipped Apparatus.
5. To increase the number of class rooms for lectures.
6. To provide a hostel facility.
7. Improving English language and communication skills among the students.
8. To help students of rural and backward areas to become reliant by providing financial assistance and benefits of the government of the available welfare scheme.
9. Utilization and management of the available resources efficiently to achieve the objectives.
10. The institution needs a strategy to raise funds through vocational self finance courses.

#### 4.4 FUTURE PROSPECTIVE:

Our college/institute is a UG-level educational institute, located in a remote tribal area, where the students come from far places up to 50km. The total number of enrolled students in the institute is 1649 in the academic year 2022-23. So, based on the current scenario, the following future perspective is set for the institute:

- To increase the teaching and non-teaching staff in the institute to increase the student-teacher ratio as per the UGC norms and smooth functioning of the institute.
- The institute aims to develop basic infrastructure to handle the huge student crowd.
- The institute aims for land acquisition for further extension of the academic building, classrooms and laboratories, library reading room, auditorium, student hostel etc.
- Further procurement of lab equipment and apparatus is planned after the extension of the building.
- Upgradation of the institute into a fully PG institute.
- To promote research and innovation, the institute aims to develop a research centre.
- Due to the tribal locality and lack of transport facility, students are not able to attend classes regularly. If a hostel facility is available, they will stay in the hostel and teaching-learning and overall skill development will improve. Thus, overall strength will increase if a hostel facility is available.

#### **4.6 INSTITUTIONAL PEDAGOGICAL APPROACH:**

*To achieve the broad objectives, the Pedagogical Practices and Policies shall be pivoted around the following:*

##### **4.6.1 Teaching Policy –**

College has its own teaching-learning process for elaborate and extensive mechanisms to improve the quality of higher education. The college uses a teaching-learning approach that is focused on the students. In practical disciplines, experimentation and demonstration are done after the lecture technique. There are many different instructional methods employed, including presentations, demonstrations etc. The strength of the faculty is adequate. Guest faculty fill the open faculty position. Through the mentor-mentee and slow learner and fast learned identification, our college is trying to fill the gap of knowledge by giving extra effort to weaker/slow learners through remedial classes, and doubt clearance classes. The institution has created a useful mechanism for collecting student feedback that monitors the teaching-learning process and student satisfaction.

- Time table of colleges is prepared by following the academic calendar of colleges provided by affiliated university and the Department of Higher Education, Govt. of Chhattisgarh.

- All the teachers prepare and maintain the teaching plan and teaching diary and this is monitored monthly by the principal and ensures it is followed to the academic calendar.
- ICT tools like classes by projector are regularly used in classes.
- Workshop and seminar are conducted by every department.
- Lower classes are engaged by advanced learners to give them extra exposure to the teaching learning process.
- Unit tests are also organized according to the academic calendar.
- Extra class/remedial classes are taken for the slow learner student.

#### 4.6.2 Research Policy –

Academic institutions are expected to perform threefold activity which includes teaching, research and extension. Research happens to be one of the pioneer aspects of academic activities which help the institution to achieve excellence in the field of education. It also includes the quality of learning and knowledge development. The policy shall serve as an overall framework within which research activities may be carried out. It also aims to identify thrust areas of research having social relevance and thereby supplementing the Vision and mission of the college. The Research policy also emphasizes contribution towards society and to the nation at large.

***The college shall have a well-defined research quality which shall act as a guideline for the teachers and students.***

1. To encourage original quality basic and applied research in the field's science, literature, commerce and all related and other relevant fields.
2. To encourage faculty members to get research projects from National Funding agencies like SERB, DBT, DST, ICSSR, UGC and other such institutions.
3. To encourage faculties and students in participating in various national and international conferences/seminars/workshops.

4. To organize national and international conferences/seminars/workshops in institutions to promote a research mindset.
5. To encourage publication of research articles, review articles, book chapters, books, etc. in various national and international journal

Our college promotes our faculty members to participate in the national/international seminar by offering them TA/DA and registration fee. Also, the college has decided to award the faculties/students who got published articles in reputed journals.

#### **4.6.3 Community service Policy –**

Government Rani Durgawati College, Wadrafnagar strongly believes in working for a good, fair and sustainable society and this is the moral obligation of our college. We believe that higher education institutions need to play a significant role by influencing demographically, economically and socio-culturally the region in which it has been established. A number of extension activities are carried out in the neighborhood community and students are motivated towards various social issues of educational, environmental, health and political importance. Our college has an active unit of NSS, a women's grievance cell, and an anti-ragging cell.

**❖ How the key activities proposed in the Institutional Development Plan are linked with the results of SWOC Analysis (Max. 500 words):**

A detailed SWOC analysis report has been prepared by the Internal Quality Assurance Cell of our college to evaluate the college at every level, which is directly related to our Institutional Development Plan. The biggest strength of our college is the students here because our college is the largest number of students in Balrampur district of Chhattisgarh state, but to provide a better-quality education to such a large number of students, we have needed a better infrastructure but there is lack of infrastructure in our college like-classroom, land allotted for the college, additional building, lack of Large playground, lack of smart classrooms etc. We have also included the demand for additional budget in our Institutional Development Plan report to remove the deficiency in all these infrastructures. Teacher-student ratio plays a very important role in further NAAC grading of the college and to improve it. In the Institutional Development Plan prepared by the college, a demand has been made for the creation of additional posts of academic cadre in the government-approved setup for provide better quality education to the students here. According to the practical courses conducted in our college, there is a need to modernize the laboratory with well Equipped Apparatus, there is need to purchase modern experimental equipment and develop additional infrastructure that's why we have included it is in the Institutional Development Plan.

**❖ State the specific objectives and expected results of proposed plan (in terms of “Institutional Strengthen and Improvements in employability and**

**learning outcomes of Graduates”). These objective and results should be linked to the SWOC analysis (Max.500 words):**

*Keeping in view the SWOC analysis, some objectives have been set by our college for the development of the institution, which are as follows: -*

**Objective 1.** Creating a strong academic culture with high student-faculty ratio (1:30), excellent learning resources, skill and attribute-based curriculum and high-quality faculty resources (PhD >80%).

***Expected result:***

If the number of academic posts is increased in the college, then the teacher-student ratio will be better, due to which there will be chances of better grading in the upcoming NAAC evaluation and the work load on each teacher of the college will be reduced, due to which the students will be able to get full attention of the teacher and the Quality educational environment will be created in the college.

**Objective 2.** To develop the skills of the college students by providing them job-oriented training.

***Expected Result:***

Non-technical courses are conducted in our college, so there is a need to set up a skill development and training center to make the students of our college technically competent and efficient, so that the students here can get technical and non-technical education and fulfill their potential to create employment opportunities for its own.

**Objective 3.** Starting postgraduate courses in the college.

***Expected Result:***

Our college is a graduate college located in a remote tribal area, so the students here have to go far away for post graduate studies, so if post graduate classes start running in this college, the students will get better higher education in their area but conducting for P.G. courses we will have required for additional infrastructure and additional teachers.

**Objective 4.** To develop the additional infrastructure for quality education.

***Expected Result:***

With the creation of additional infrastructure in our college, students will be able to have better seating arrangement, starting postgraduate courses as well as arranging smart classrooms and large playgrounds for sports, as a result of which quality educational environment will be available to the students and the upcoming NAAC grading of our college will be improved.

**❖ State the strategic plan to implementation of Students’ centric Teaching Learning methods and catering the status of ‘Slow learners’ and ‘Advance learners’**

After admission college adopts a process to identify slow and advance learners among students. The faculty conduct test, introduced of the syllabus and the change of study pattern and identify and respond to special educational learning needs. Discuss about the short coming of individual students. Advanced

learners and slow learners are identified on as per their response in the classroom as well as performance in the unit test, oral presentation and half yearly examination. Following activities are done by teachers for students:

### **Slow Learners:**

- Extra study material is provided to improve basic understanding of the subject.
- Individuals counselling.
- Mentor – Mentee Programme for slow learner students.
- Extra classes organize.
- Extra attention is provided to such students.
- Skill development program are organizing for such students.

### **Advanced Learners: -**

- Advance learner takes extra class of his junior students.
- Advance learner students use more ICT tools for class and seminar presentation.
- Guiding for career planning.
- The advanced learners encouraging participating in various symposiums like – quiz, poster presentation, inter-institution competition etc.
- Advance learner's students are motivated to prepare notes from advanced reference books.
- Extra study material is provided to advance learners to improve their performance of exam.

## **❖ State the strategic plan to integrates the Crosscutting issues relevant to Professional ethics, Gender, Human value, Environment and Sustainability into the Curriculum**

Institute integrates crosscutting issues relevant to professional ethics, gender, human values, environment and sustainability into the curriculum. Actually, the university decides the syllabus and college has to follow it. But in this limitation's college do its best for above said issues. Some of the steps taken are below:

### **1. Gender**

Numbers of programs are conducted for women and girl students such as organization of folk-dance competition, hemoglobin check-up camps. The committee for Woman Anti-harassment and internal complaint committee organizes programs on Woman Empowerment, Laws for Woman, Women's Day, The N.S.S. unit of our college has been very proactive in conducting different extension activities not only in college premises but also in adopted villages also. Major gender issues are focused and addressed through the activities like save girl child campaign, Essay and poster exhibitions, wall paper presentations, etc.

### **2. Environment and Sustainability**

N.S.S. promotes environmental protection through tree plantation and other sustainable development programs. Every year, N.S.S. unit undertakes a host of activities in the nearby villages during the special camps. In these camps, N.S.S. organizes various environment related programs including tree plantation, village cleanliness, cleaning of gutters, digging of soak peats, eradication of Gajar grass, plastic free

drive, Poster Competition, Debate Competition, etc. Various activities like quiz and poster competitions, invited talks are organized to create awareness about nature, biodiversity, environment and sustainability. Different activities have been initiated by the college to save environment such as Cleanliness Campaigns at Temple places, Bus and Public spaces etc. The cleanliness program is organized to clean ponds, watering plant, Celebration of various days like World Environment Day, N.S.S. Day, etc. The college has taken initiative in Swachh Bharat Summer Internship (SBSI) Abhiyan and Tree plantation programs which are introduced by the Indian Government.

### **3. Human Values and Professional Ethics**

To create scientific approach and social awareness among the students, lectures and quiz, essay, etc. are by NSS and other NGO or, govt. bodies. The college takes efforts for integration of ethical and human values through extra-curricular activities also. Programs conducted under N. S. S., YRC, and Political science department help to inculcate human values among students. Guest lectures on value education have been organized for students. National festivals like Independence Day and Republic Day serve as a platform to enliven patriotic and moral values. Different social activities have been initiated by the college like Health and Hygiene awareness programs, Medical check-up camps, AIDS awareness programs, Voter's awareness program, Road safety Campaign, Blood donation camps, etc.

### **❖ State the strategic plan to institutionalizing the Personality development, Soft skill development and Community outreach programs**

Various activities are organized by our college for the personality and soft skill development of the students. The presentation is taken from the students by the college and during the presentation the teacher pays special attention to the student's body language and communication skills and the mistakes made by the student during the presentation is corrected by the teacher and the student is guided by the teacher for better presentation and communication skills. Language Lab and Yoga Center have been set up in our college for soft skill development, but apart from this, there is a need to organize seminars by trained teachers for personality and communication development programmes, for which we need additional budget for this program.

### **❖ State the strategic plan to improving the Grade provided by NAAC (Max.500 words):**

The first grading of our college by NAAC was done in the year 2022, in which the college earned C grade and efforts are being made to increase the quality education in the college to improve this grading in the upcoming NAAC assessment, in which the suggestions given by the NAAC peer team is very important of us.

## 6. ACTION PLAN:

*Concern to each plan as mentioned above in 4.7*

**6.1 Provide an action plan for organizing program and for improving the academic performance of SC/ST/OBC/ academically weak students through innovative methods, such as Remedial and Skill Development classes for increasing the transition rate and pass rate with the objective of improving their employability.**

The college's goal is to help SC/ST/OBC and academically underperforming students perform better in class by providing them with remedial instruction, skill development programmes, and soft skill development activities. Apart from this devout step the academic performance of the students from the above categories/sections also needs to be improved so that the sole aim of employability can be achieved. For those students who feel the need, we provide additional remedial lessons. These actions would undoubtedly boost the students' rates of transition and success.

Programs for skill development are also set up to provide these children the tools they need to succeed in a competitive environment. In this regard, we host a range of tutorials for subjects including math, reasoning, English, and general studies. In order to improve the persona of potential professionals, we also provide unique personality improvement programmes. Another positive development is the state government's scholarship programme. Its goal is to raise the gross enrollment rate for under-represented groups including SCs, STs, and OBCs.

*In brief following are actions that are taken by the institutes for improving the academic performance of SC/ST/OBC/ academically weak students:*

- Design remedial measures like improve the communication skills through group discussion.
- Establish a career counseling cell (CCC).
- Organize classes for preparation of competitive exam for students.
- Scholarship provide for SC/ ST /OBC categories
- Organize personal interview session for students to prepare them for various job interviews.
- Proposed hostel facility for SC/ ST/ OBC candidates.

*Action plan for organizing program and for improving the academic performance of SC/ST/OBC/ academically weak students:*

S.No.	Programmers	Time	2022-23	2023-24	2024-25	2025-26	2026-27

3.	Motivational	1 week					
4.	Training for competitive exam	1 month					

**6.2 Provide an action plan for strengthening of PG programs and starting of new PG programs.**

Currently, our college is not offering any PG program. We have applied to Higher Education Department, Govt of Chhattisgarh to start PG programm (MA and MSc) in our college. The following measures will be taken to strengthen the PG program:

- We encourage the students for higher studies and research so that they can go for PG program.
- Subject expands and trained man power with improved infrastructure to start now PG courses.
- Efforts will be made to improve the needs of computational facility.
- Adequate infrastructure and independent computer and language laboratory will be made available and for that we have requested to higher authority.

**6.3 Attach a summary of the training Need Analysis carried out. Also provide faculty Development Plan for the first 18 months for improving their teaching, subject area and research competence based on Training Needs Analysis in the following areas?**

With advancement in science technology and introduction of ICT in education system, now it's mandatory to update the teacher as well as administrative staff with all these. Most of the teachers are in the habit of teaching in their very traditional way which needs latest knowledge and advanced ways of teaching. Also, the new comers do not know many ideas required for job profile, hence training is essential, therefore, Orientation, Refreshers, Workshops, Seminars must be attended by them, whereas interactions, paper presentation will enhance the in-depth knowledge in subject, communication skill.

TNA [SDP-Staff development program and STP-Short term program will improve the basic and advanced pedagogic qualities] provides opportunity in qualification enhancement as Doctorate (PhD), Post-doctoral degree such as Post-doctoral fellow, D.Lit., etc. which is essential for quality education but also essential for promotions in teaching profession.

**Summary of Training Needs Analysis (TNA):** Institution plan to spend at least 10% institutional project outlay on faculty and staff development in following areas:

- Basic and advanced pedagogy.
- Up gradation of qualification.
- Improving competence in teaching and training.
- Development of modern learning resource and teaching aids.
- Training on UGC and University Act.
- New techniques in improving competence in research and consultancy.
- Engagement in seminar, conferences and presentation of research papers.
- Establishing linkages with academic and research institution and industry
- Student's career counseling.

4	Improvement in faculty qualifications	17	1 month			
5	Improving research capabilities	17	1 month			

#### 6.4 Provide an action plan for training technical and other staff in functional areas.

It is suggested that technical training programmes be held periodically for laboratory assistants and technicians in order to improve their capabilities and effectiveness. We will be able to conduct training programmes for enhancing their computer abilities thanks to the installation of the computer lab. The institution's other employees may receive training in the necessary computer abilities. For academic purposes, they may also receive training or familiarization in accounting, the most recent rules and regulations, and even laws passed by the state legislature and the union parliament.

#### Followings are some training programmes for technical and other staff in functional areas:

- Update new skills and competencies to handle new laboratory instruments and equipment.
- Library digitalization and developments in library sciences.
- Recent developments in the science of sports.

#### 6.5 Describe the relevance and coherence of Institutional Development Proposal with State's /National (In case of CFIs) Industrial /Economic Development Plan.

We initially suggest the following development plan for our institute, which are based on overall quality important concern:

- Our primary concern providing infrastructure support such as Laborites, increase number of class room.
- Further step of the development plan is gathering the information to requirement of state. So we can accordingly input these requirements in our institute.
- Institutional development is directly proportional to empowering student and makes them responsible citizen.
- We work according to the government objective increase or improve in gross enrolment ratio (GER). These effect regional economic development of region.
- Digitalization of administration several add on courses plan for girl's student so they can be mad their self-financial independence.
- We sign MOU's with industry nearby us so we can provide technical skill to our student which effect economic growth of this region.
- For industrial development we need to introduce industrial function areas to our student for this we plan industrial visit and short training session for student.
- To organize Seminar (State/National/International) and Soft skill courses for faculty and student.

#### **6.6 Describe briefly the participation of departments/faculty in the IDP preparation.**

- Firstly, we had meeting of all staff and faculty. In that discuss the all-important aspects of IDP after this session action plan are made for all faculties of various department everyone has assign their task according to their functional area further that different committees are made by IQAC.
- IQAC team conducts the SWOC analysis on ground area of institute.
- Student feedback plays important role in SWOC analysis for identifying key areas and objective of institutional plan.
- Input from departments, library and physical education gather to prepare plan.
- Administration staff provides relevant details of institution principal regularly take the progress report.
- Every alternate day we discuss the plan with other department for improvement of ideas.

#### **6.7 Describe the Institutional plan implementation arrangements with participation of faculty and staff.**

The entire faculty and staff will participate with full dedication to the completion of institutional projects and the result-oriented implementation of the same, as the present plan, which has been prepared in the form of a proposal, is the result of full co-operation from the faculty members of the institution. For effective implementation, the institutional initiatives will be divided across all of the faculties. According to the proposal, meetings will be held on a regular basis to gauge how the project's implementation is going at various levels.

## 8. Plan Targets for Institution:

**8.1 Give an action plan for ensuring that the project activities would be sustained after the completion of the Project (max. 500 words)–**

*For the sustainability of project activities after the completion of the project following steps will be taken:*

01. All the activities planned for every upcoming year are institutionalized by forming various committees and Nodal officers.
02. IQAC and IDP coordinator will monitor all the activities conducted by different committees and will ensure the continuity.
03. Feedback system will be strengthened for the implementation and improvement of IDP plan and activities.
04. If the plan is continued definitely we assure a better plan towards a better prospectus of the institution.

### **8.2 Provide the feasibility and sustainability of the plan targets for the institution: (max. 500 words)**

01. In order to make it feasible and sustainable our institution will plan carefully to implement each and every individual development plan identified during the SWOC analysis.
02. The development plan will continuously uncover the weakness and strengths of an implementation strategy to make it feasible and sustainable.
03. A proposed plan to assure whatever outcomes we achieved during the implementation process. It has to create an impact on the students and Society.

### **9. FINANCIAL AND BUDGETARY SUSTAINABILITY:**

The estimated budget proposed by our college for IDP is based on the following:

1. Previous budget sanctioned to our college by the government.
2. Infrastructure budget is recommended by PWD Offices, Wadrafnagr, Balrampur (CG).
3. Furniture, Books, ICT and Laboratory equipment budget is estimated and propped by the college IDP committee.

Thus, all the budgets proposed by our institution are valid as per our knowledge and the Principal together with IDP in charge and the IDP committee's nodal officer are committed to the sustainability of the budget.

### **10. DOCUMENTS ON STAKEHOLDERS CONSULTATION:**

**Attached**

### **11. FOLLOW-UP AND EVALUATION:**

The IDP committee was constituted in our college by the Principal on the recommendation of the IDP in-charge. The IDP in-charge allotted the task to all the teaching and non-teaching staff of the college and monitored and evaluated their work from time to time. All the details schedule of the meeting, allotted work and the respective work in charge are attached here.
